2.1.3	NYM/2022/0518 Application for demolition of three garages/outbuildings, construction of two principal residence dwellings with associated parking and amenity spaces together with creation of 28 space car park for use by The Stiddy Public House and landscaping works at land to the rear of Holly Cottage and Meadowfield House, High Street, Lythe. RESOLVED that the car park was an excellent proposal and would provide much needed parking that could take pressure off parking elsewhere in the village. A minor concern was that it could generate some anti-social behaviour, however it was noted that there was someone on this site year-round to address this should problems arise. In addition, it was felt that there was a need for further permanent residential properties in the village and it was good that the houses were away from the main road. NYMNP A would be advised accordingly.	Clerk
